

**KENYA COMMUNITY SUPPORT CENTRE
CIVIC EDUCATION LOCATIONAL FORUM
ON CONSTITUTION IN MOMBASA
LIKONI CDF HALL**

1. THE EXECUTIVE
2. DEVOLVED GOVERNMENTS
3. LAND AND RPROPERTY
4. JUDICIARY(THE KADHIS COURT)

At the end of the forum the community was facilitated with refreshments .copies of the draft constitution were distributed to the members for efficiency of facilitation where each participant got a copy. Participants were also facilitated with transport

REMARKS

- There was insufficient mobilization as the quorum had much to say about it this was also attributed to the fact that there were also other forums on the same issue through out the location
- People rose the need to have their own copies of the land policy

RECCOMENDATION

- President should not be given powers to dismiss the prime minister
- Presidential protection from legal proceeding should be reduced. the president should also be able prosecuted
- There is no need to have deputies for the office of the prime minister and the president
- Governors should be elected by the people
- The constitution should stipulate clear percentages on how much should be sent to the central government as far as revenues are concerned.
- Parliamentarians should not be involved in decisions of boundaries
- Period of lease to be reduced
- The chiefs should be retained in the administration
- In the composition of the senate youth should not be given one slot withn trhe disabled and minorities but their own slot
